PLANNING APPLICATION DM/24/2505 - Hurst Road - Tennis Court Proposal

Dear Anna Tidey

I write with a further specific concern regarding the planning application DM/24/2505.

I attach a drawing indicating my 5m x 3m greenhouse located on my property which is situated only 9m from the proposed location of the tennis court.

My wife and I are very keen gardeners and spend large amounts of time during the daylight hours in our greenhouse throughout the entire year, but of course more so during the better weather months of the calendar year similar to when outdoor tennis is usually played in the UK.

I have a huge concern that when stray tennis balls strike my large greenhouse, the glass will smash, damaging my property but more importantly **presenting a massive health and safety issue and of course a clear danger and threat to life, if persons are inside the greenhouse.**

When you make your site visit on Monday 11th November I am sure you will appreciate my huge concerns I have reported.

Many thanks and kind regards
