Dear Sir

Ref: Application No:DM/26/1301. T1 Beech reduce crown by 2-3 metres
168 Western Road, Hurstpierpoint, Hassocks, West Sussex.

I write to support this application without reservation. This beautiful tree is long overdue cutting back to ensure its future health. It has become a nuisance due to leaf-shedding which requires constant gutter clearing and it has long reduced the light to the front of my property. I would welcome any removal of branches which hang over my front garden.

Yours faithfully
