Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Our village cannot cope with more houses being built, we have a handful of very small shops and not enough parking, an inadequate doctors surgery that cannot cope and is in special measures and roads in and out of the village are busy, narrow and full of pot holes.

The proposal to knock down 2 houses and have all the heavy machinery in and out of a quiet cul de sac is unbelievable plus the noise of building work travels throughout the whole village disrupting everyone.

I strongly object to this new decelopment

Kind regards
