Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	What kind of business can make a planning application and forget that they need 24/7 access? What else is to come; a small landing strip? Absolute planning creep and should be rejected. As others have pointed out the road is not suitable for the amount of traffic it already has so ANY increase should not be allowed.

Kind regards
