Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Another 55 houses in the village will put unnecessary strain on an already over stretched doctors surgery and the junior school. The water system can't cope with the extra houses up by the school. The bottom end of the village often experiences low water pressure. The proposed 55 houses would generate extra traffic

around the 2 schools thereby putting children's lives in possible
danger

Kind regards
