Comments Details

Comments: Balcombe Parish Council has no objection in principle to the installation of a garden office shed. However, the Council expressed concern regarding the proposed location of the structure. It was noted with disappointment that two native trees are proposed to be removed. Additionally, the Council is concerned that the positioning of the shed could negatively impact a neighbouring tree and would result in the removal of a boundary hedge, to be replaced by the garden office. The Council considers the current siting of the proposed structure to be inappropriate and potentially detrimental to the surrounding natural environment and neighbouring properties. As such, while not objecting to the concept, the Parish Council feels that the proposed application is ill-placed in its current form.

Kind regards
