With reference to the above planning application you will be aware of the importance to the Council in determining applications according to the Government's timeframes of 8 or 13 weeks. However, under the provisions of the Town and Country Planning (Development Management Procedure) (England) Order 2015 under Section 34 (2)(c) it does allow the Local Planning Authority and the applicant to agree an extended period to determine applications:

http://www.legislation.gov.uk/uksi/2015/595/pdfs/uksi_20150595_en.pdf

I seek agreement with you to further extend the period available to determine the application to 29th August 2025 for the reason(s) noted below:

1. Additional information submitted after the initial submission, therefore, it is not possible to determine the application within the statutory determination period.
