MID SUSSEX DISTRICT COUNCIL

DM/25/2871

**Clover Court, Church Road, Haywards Heath, West Sussex, , ,
732a - Sycamore and Maple group - Reduce lateral branches overhanging site back to the
boundary fence line to suitable growth points.
Mr Storer**

Permission is sought for the works as described.

The trees grow in a line between a car parking area and the residential development of Clover Court. A footway runs adjacent. They have previously been reduced back towards the boundary to prevent obstruction and overhang.

Works will address these issues without harm to the long term health or amenity value of the trees.

Permission is recommended.
