Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This will impact on the local environment, the nature and wildlife in the area, be a complete eyesore in an area already being horribly over built on. I believe its also a health hazard to some and people with ultra sensitive conditions like my neurodiverse son who lives in Hassocks, find the buzzing and constant humming from these masts intolerable. Bees and bats are confused by these masts

and invariably suffer, to our detriment. Build it elsewhere if you must build it at all

Kind regards
