TPO Details

Further Details	
Are you seeking consent for works to tree(s) subject to TPO	No
Are you wishing to carry out works to tree(s) in a conservation area?	Yes
If you know which TPO protects the tree(s), enter its title or number	
Please identify the tree(s) and provide a full and clear specification of the works you want to carry out	Felling and removal of the Oak tree which stands at the Northern edge of the Car park. We carried out some remedial work last year, removing dead branches but there is still a danger from other branches which overhang a seating area next to the Bowls Green and others which overhang our car parking area. The tree has caused us to replace our main drainage within the last 3 years for the second time and we suspect that it is also causing the crack which has appeared in the wall of our clubhouse. We would be happy to plant a replacement oak in the area adjacent to the corner of Hook Lane and North lane - see map -
