Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I wish to strongly object to planning permission being granted for this housing estate. As recent evidence shows, there are considerable problems with infrastructure in the area as it is, SEW is a prime example. Our road is a private road maintained by us the owners and this will bring more traffic and consequently more cost to us the individual owners to maintain said road. There is extreme narrowness on the West Hoathly Road where this construction is planned and the offshoot to our local neighbourhood regarding construction lorries, entering the land and then

eventual traffic from residents would be absolutely awful. Please
DO NOT grant permission for this estate.

Kind regards
