Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This is a completely inappropriate application and presents a huge risk to the surrounding area. Not only is this road a current flood risk, with drainage that already is not suitable, but it is also a busy traffic road, adding more houses and all the building traffic that comes with it will present a huge impact to the area and the community. This cannot be approved, it would be a disaster.

Kind regards
