Dear Mr Hadaway

I'm writing with regards to the above conditions discharge application.

I'm content with most of the information contained in the submitted Construction Management Plan (CMP). There is one point that I think needs some further clarification. Part 6 of the CMP refers to parking of site operatives and visitors. For the avoidance of doubt, please could a plan be provided showing this parking area and the site compound. Once I have received a satisfactory plan, I should be able to determine the application.

I look forward to hearing from you.
