**Reasons for comment:**

**Comments:** I am beyond pleased to support planning application DM/25/0090 for the proposed equestrian facilities at Eastwood Farm. Having worked closely within the showjumping industry and alongside Luca, I understand how important it is for both horse and rider to have the correct facilities to operate.

Since knowing and working for Luca Cullum Cina , I have watched him grow and improve as a wonderful rider. He is incredibly passionate and gifted when it comes to working his horses correctly. For Luca to have a purpose-built training facility at home will be a huge asset in helping him reach the top of a his sport. This proposal will be a great investment to the land,. creating a well-planned Mid Sussex planning department.

I know this will bring a lot of excitement to the area and provide plenty of opportunities for success over the years to come.
