Dear Sir,

I read with great disappointment that a planning application has been submitted for 34 houses with access from Marwick Close, Bolney Road, Ansty West Sussex.

I spend a great deal of time at Marwick Close and I cannot see that the number of homes suggested is sustainable. With every home there car dependent this will bring a significant amount of traffic and noise disruption with delivery vans, visitors and refuse collections accessing via the private driveway, which is not appropriate to take more than the 15-20 dwellings.

Currently the small close knit community has views of fields and benefits from the wildlife at its doorstep in a quiet and peaceful location, the key reasons to have purchased here. I strongly believe it should not be disturbed, particularly with the danger of many houses being built on the A272 out of Cuckfield.

I completely and undeniably disagree with the planning application in this location and urge you to deny its success.

Best Wishes
