Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Dear Sirs, As an adjoining owner of both 51 & 53, I fully support this application. The proposal appears well designed and appropriate for the area and I do not believe it would cause harm to neighbouring properties or the surrounding character of The Broadway and provide more needed accommodations.

The development would make good use of a formerly underutilised and sustainable site that will only enhance the local area. The scale and appearance are sympathetic and the proposal is consistent with nearby recent development.

I therefore respectfully ask the Council to approve the application."

Thanks,
E Barakat
Director
