Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	This facility in central Burgess Hill would offer the growing number of people who enjoy this social form of healthy exercise an accessible venue to enjoy the sport. There is currently an insufficient number of courts easily accessible to the population of Burgess Hill. I strongly support this application and know of many other Padel

enthusiasts who would do so also - including some who would access it via rail.

Kind regards
