Hi Chris,

I am in the process of writing your application up for approval, however I have just noticed that in order to amend the proposed materials it will require amendments to conditions 2 and 3 to amend the plans to show the amended materials.

Are you happy to agree a change of description to
'Variation of conditions 2 and 3 of planning application DM/25/0788 - change of materials in relation to garage.'

The parts in red are the alterations.

Kind regards

Peter
