Reasons for comment:	
Comments:	This store already contributes to the deterioration of Haywards Heath high street. We do not need yet more vape / convenience stores. Extending the hours and foot print of this store would further damage the retail service to our community. We don't need the extra noise and disruption so late into the night, so close to dense residential areas. Neither do we need the great work in rebuilding the Victoria Park playground undermined by extending the negative impact of stores like this.

The council must rethink the strategy for the high street. It is being ruined.

Kind regards
