MID SUSSEX DISTRICT COUNCIL

DM/25/0029

**Willow Tree, 21 High Street, Lindfield, Haywards Heath, West Sussex, RH16 2HJ,
Yew tree in back garden - lift canopy edge 2-3 metres from ground level and reduce crown centre
by 2-3 metres to return to original domed shape.
Mr Guthrie**

The proposed work is as described.

The tree is in the back garden of the property and only the crown is visible from the main road.

The proposed work would help to manage the tree in its situation, would not be detrimental to it and would bring it back into shape again, as previously carried out. Most of the work has been carried out previously and would not take the cuts to beyond previous cut points.

No objection is recommended.

Decision: No Objection
