TOWN COUNCIL OBSERVATIONS

Haywards Heath Town Council stated that 'as this is an application for a Lawful Development Certificate and is therefore a legal matter, the Town Council defers this decision to Mid Sussex District Council.'

INTRODUCTION

This application is seeking a Lawful Development Certificate for a proposed single storey rear extension.

SITE AND SURROUNDINGS

The application property is a detached dwelling located on the eastern side of Bridgersmill benefitting from a driveway to the front. Externally the dwelling has external facing brickwork to the ground floor and hung tiles to the first floor. The roof is pitched and the windows are white UPVC. There is an integral garage and a canopied porch to the front elevation. The vicinity is characterised by detached properties of a similar style, however there are three listed buildings, Harlands Farmhouse, Harlands Barn and The Annexe, Harlands Barn located on the southern end of Bridgersmill.

The application site is designated within the Mid Sussex District Plan as being within the built-up area boundaries of Haywards Heath.

APPLICATION DETAILS

The applicant is seeking a Lawful Development Certificate for a proposed single storey rear extension measuring 5.1m in width and extends 2.9m from the rear elevation. The extension is proposed to have a dual-pitched roof and include velux rooflights. To the rear elevation, the side extension is proposed to have doors leading to the garden. The materials proposed are to match the existing.

LEGAL FRAMEWORK

This application is to establish whether the proposed development for the rear extension would benefit from permitted development rights and will be a legal decision; planning merits cannot be taken into account when considering this application. Therefore whilst the concerns raised in the representation received are noted, these relate to the planning merits of the proposal which are not relevant to the determination of this application.

The proposal will be tested against the relevant criteria of Part 1, Class A of Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended), as detailed below:
