Subject: DM/26/0850 - Friars Oak Farmhouse, London Road, Hassocks

Dear Andy,

I have reviewed the Arboricultural Impact Assessment, Tree Constraints Plan and Tree Protection Plan for this proposal. I note the loss of three trees to facilitate the proposed development, but they are all category C, therefore not a constraint to development.

The retained trees should be adequately protected by the measures set out in these documents. Please condition adherence to the AIA and TPP.

Kind regards

Emma
