

Subject: RE: Planning application consultations DM/25/2218 - South Meadow Cottage

Dear Andrew

Ansty & Staplefield Parish Council object to the application on the following grounds:

- a sporadic building going against DP16 HWNL protecting the landscape setting
- DP12 Protection and enhancement of the countryside
- DP26 Protecting open spaces
- visible from the footpath
- para 189Nppf gives the National Landscape the highest status of protection
- planning permission for a residential garden was turned down and we therefore request enforcement action.

Kind regards

Sarah Abellan

Clerk to Ansty and Staplefield Parish Council
