Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'biodiversity gain condition' requiring development to achieve a net gain of 10% of biodiversity value.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:

☒ It is my belief that if permission is granted for the development to which this application relates the biodiversity gain condition would not apply

*A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.

Details of the pre-application advice received

DP12: the proposal is in character with the rural area
AONB: the proposal would not have an impact on the AONB and would conserve it
Design (DP26/DG49/50/51): 2 storey side extension likely acceptable in principle. Scale and width should be reduced - not subordinate as submitted. First floor rear extension is acceptable. Perceived 'wraparound' contrary to policy.
Conservation area: Scale of the side extension would not conserve the character of the CA and cause harm contrary to DP35
Other heritage assets - neighbouring listed building: Scale to be reduced significantly to ensure that the character and appearance of the house and cottage pair of which it is part are preserved, and to prevent harm to the setting of Townhouse Farm.
Impact on neighbouring amenity: not deemed harmful

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No
