Many thanks again Anna.

Really appreciate your support on this.

Ben

Thanks Ben

I expect to be able to do that tomorrow. It's going in my diary now.

Regards

Anna

Many thanks Anna.

I will let the client know.

When do you think the letter might be issued roughly?

Thanks,

Ben.

Dear Ben

Thank you for the glazing bar details, which have been found acceptable by the Conservation Officer, Emily Wade.

I will arrange for the formal letter for the Condition Discharge to follow.

Regards

Anna

Dear Anna

Having review the request from the conservation officer and double checked the glazing information we have attached a PDF with highlighted in red on page 5 a section through the glazing bars of the proposed Smart Alitherm Heritage system.

Page 5 shows what we think is being requested.

Can you confirm this is what is required and provide any comments please?

Many thanks,

Ben Phillips

Many thanks Anna.

We will provide that information asap. Many thanks for the update.

Provided that the details are acceptable for the glazing bars when might the client expect formal approval so they maybe progress with orders/installation please?

Thanks,

Ben

Dear Ben

I have received the attached comments this morning from Emily Wade, Conservation Officer, regarding the submitted details for the above Discharge of Condition application.

Please can you address Emily's comment that glazing bar details appear to be missing for the proposed windows and doors. Please can you provide a typical cross section for consideration.

Once this has been submitted, and reviewed, I should be in a position to formally write to you to discharge the planning condition.

Regards

Anna

Hi Anna

Comments on the above discharge conditions application.

Windows and External Doors – the details as submitted are acceptable, other than that I can't see any detail of the glazing bars? A typical section should be provided.

Rooflights – the details as submitted are acceptable.

Thanks

Emily
