Dear Sir/Madam,

Planning Application for a Single Storey Side Extension to 21 Blount Avenue, East Grinstead, RH19 1JJ

Please find enclosed a Householder Planning Application for the above address, proposing the construction of a single storey side extension.

The proposed extension is intended to provide improved internal access within the property for a family member with specialist needs. The works will support their continued care and enable the household to better meet their daily requirements within the home environment.

We consider this as a positive adaptation to enable care to be provided within a family setting. Should the Planning Officer require further details regarding the benefits received or supporting evidence of the family member's condition, we would be happy to provide this on request.

We trust the enclosed information is sufficient for validation of the application, but please do not hesitate to get in touch should anything further be required.

Yours faithfully,

A.D. Architectural Design Ltd
