Reasons for comment:

Comments: We strongly oppose the proposal. As a neighbour directly opposite the courts we already have intrusive noise in the form of shouting , ball impact and glare from lights . The noise can even be heard from the back garden.

Whilst we appreciate that we moved knowing a school was here before us and that there would be the usual school activity during the day and for a limited period for after school activity , we believe they there should be a balance between the rights of residents and the school itself.

allowing the use of courts and flood lighting until 9pm alters that balance to the detriment of residents. We therefore oppose the proposal

Kind regards
