Dear Katherine,

Please find our response below for the above application:

Thank you for consulting the Flood Risk and Drainage team on the above application.

The application has gone through an initial review.

Please could the applicant provide a copy of the Foul and Surface Water Drainage Strategy prepared by Waller Gray Consulting which has been referred to within the Planning Statement by Boyer.

Following receipt of the information requested, we shall review and provide further comments on this application.

Receipt of the requested additional information does not mean further information will not be requested, nor does it guarantee that the Flood Risk and Drainage Team will not object to the development. Neither does it prevent the team from recommending a flood risk or drainage condition.

Best Wishes
