Reasons for comment:	
Comments:	It really is disgraceful that the entrance is noted as Woodlands Close, absolutely ridiculous and must be rejected. I understand the Inspector would only allow the entrance from Sycamore and that would be much better.. The residents of the Close must be entitled to live in as much peace and quiet as possible, it will be a nightmare for them all with a huge amount of traffic on restricted

roads, the junction is a problem already without making it worse. For once consider the neighbourhood and think clearly about an alternative, leaving one bungalow isolated will make front page news and rightly so.

Kind regards
