DM/26/0073/FUL	Land off West Hoathly Road East Grinstead West Sussex	The erection of 44 new homes with access from West Hoathly Road, vehicle and cycle parking, landscaping, drainage, and associated infrastructure and highway works. Amended plans received	13/08/2026	This application was an allocated site in the draft District Plan. It was in the AONB and so the development rules for this would apply. The Sussex style was in keeping with the local area. Committee reflected that the recent water outages must be considered regarding the additional burden on the existing infrastructure. It was also noted how pleasing it was to see that 2/3 bed houses formed the majority of the development. 03/02/2026 Committee recommended approval. 13 August 2026: Committee noted the number of units had been reduced to 42 and that this was an allocated site in the District and Neighbourhood Plan. Committee expressed their disappointment with the housing enabling officer's views which objected to the affordable houses allocated within the site, and disagreed with this position, and fully supported the balance of housing being proposed.
