Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

The current consent results in an awkward junction between the 'lean-tooth' structure and the single-storey extension. The proposed scheme introduces a tiled mansard roof, aligning with the detailing of the existing roof. The setback and integration of this new element are considered to positively enhance the overall composition and coherence of the design

If you wish the existing condition to be changed, please state how you wish the condition to be varied

Reduce the depth of the single-storey extension by approximately 0.5 metres.
Revise the roof detailing of the single-storey element.
Adjust the position and dimensions of the two timber doors at ground floor level.
Update the rear elevation to reflect these changes and revise the design of the main door leading onto the new terrace.
