Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This tower will be a danger hazard particularly to dog walkers and mothers with Prams. It will not serve the community as a whole and it will be an alien feature to the area and incompatible with the landscape and an obstruction on the land. With these issues at stake, the tower will bring down the value of

the area, likely to cause stress, financial difficulties and for some mental health due to the fear of high EMF exposure.

Kind regards
