Comments Details

Commenter Type:	Other type - not listed
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	While rearing livestock is an agricultural activity under Section 336 of the Town and Country Planning Act, the industrial slaughter, skinning, and processing of animals is not. By introducing a slaughterhouse, the site undergoes a material change of use to an industrial/commercial processing facility (Sui Generis). The council must reject the claim that this is merely 'ancillary' to farming and evaluate it under strict industrial planning restrictions .
