Subject: RE: Precommencement condition for DM/26/0483 - Inyanga, Bonfire Lane, Horsted Keynes

Dear Robert

Following my call I hope you can agree to a precommencement condition to cover Emily's suggestion, as follows:

Detailed drawings at an appropriate large scale, including sections and annotated to show materials and finishes of the following:

- typical examples of new windows

- typical examples of new external doors including garage doors

Please can you confirm agreement to a condition to require the submission of these details ahead of the commencement of the development to control these details?
Subject to a return email from you I will now complete my report with this and the other recommended conditions from Emily, which were:

- Submission of details of roofing and facing materials.
- New brickwork to match existing adjacent work in colour, texture and bonding pattern and in colour, texture and style of pointing.
- Rooflights shall be flush fitting metal framed conservation style rooflights

I look forward to hearing back from you on these points, hopefully today?

Thank you

Regards

Anna
