Hi Steve,

Hope you are well.

Please can the following documents be considered for the above application in relation to the discharge of Condition 33 Part i) pertaining to all phases of the development.

 [P2177i Imberhorne C33 Part i Additional Documents](#)

Note that the WSI originally submitted for the discharge of the residential parcels has been amended to remove an out-of-date phasing plan, but otherwise remains the same as that previously submitted and approved.

I trust that these documents are sufficient to discharge condition 33 Part i) for all phases, and to consider part i) discharged in full.

If you have any queries please do let us know.

Kind Regards,

Joseph Chan
