Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The exterior of the shop is covered with advertisements for vapes, energy drinks, and other unhealthy products. It is inappropriate for the location (near the entrance to the park that is used by families) and an eyesore. It is not in keeping with other shops in the area. It would be inappropriate for this shop to be open late due to the types of products it sells and its proximity to residential properties on Haywards Road.

Kind regards
