### Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	the danger this adds to the school area and children, the school is already full of children and has no parking or space at pick ups and a dangerous road, the surgery is full and closed to new residents- no infrastructure for new people!!! pollution, traffic jams

when the roads are already full, and general chaos to the village residents plus the demolition of natural land for our animal and insect residents. Shameful developments and council.
