Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I strongly object to this application.</p> <p>Previous applications for building on this site have been rejected by the Planning Council many times and I cannot see that anything has changed. The environmental issues are the same. This area is one of the last remaining green sites locally and is home to much wildlife that was originally disturbed by the building of Bolnore Village.</p> <p>It is also steeped in the history of our Town, there being some of</p>

the last remaining original properties close by.
The area is also subject to flooding both at the lower end of
Wealden Way and at the roundabout at the bottom of Amberley
Close.
Please therefore reject this application (yet again).
Kind Regards.

Kind regards
