[REDACTED]

Hi Caroline,

[REDACTED]

[REDACTED] on the same grounds that it has been refused multiple times before.
These are to do with heritage, environmental and amenity grounds.
This used be be a very nice, quiet area before Bolnore village got their permission granted.
This has impacted the Close enough with extra foot traffic and cars etc. Plus the bottom of that road
always floods.
So this application if granted will ruin everything.
Please make my wished known at the meeting tonight that I oppose to this application.
Noting has changed from the multiple rejections in the past so my opinion hasn't changed.
Many thanks,

[REDACTED]
