This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals.

WSSC in its role as Local Highway Authority (LHA) has been consulted by the Local Planning Authority (LPA) for comment on the above application. Following a review of the submitted plans and documents, the LHA has raised an internal consultation with the WSSC Highway Area Office for additional advice on the proposed access point. We are currently still awaiting their comments, so I will forward these on to the LPA in due course once received.
