Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this proposed development on the grounds of:- * Over development of the village with excess pressure on the local doctors and school. * Increased traffic and poor access to the site through a small cul de sac. * Destruction of natural habitat and surroundings.

* Additional strain on our utilities.

Our community is no longer a village with the over development of our precious green spaces.

Kind regards
