Subject: DM/26/0156 Heathfield House

Hi Katherine

Further comments on the above application following the receipt of revised plans and further information. The proposal has been amended to show the historic floor plan to the southern part of the ground floor of the building retained, with the modern partition in the rear room removed, and double doors inserted to the wall between the front room and hallway. A pair of French doors are also proposed to the rear elevation. The originally proposed PV panels at roof level are omitted.

As revised, the proposal is considered to preserve the special interest of the listed building and the character and appearance of the Conservation Area. This meets the requirements of District Plan Policies DP34 and DP35 and the relevant paragraphs of the NPPF.

Details of the proposed new internal and external doors have been provided and are considered acceptable. I have no further suggested conditions.

Thanks,

Emily
