Dear Hamish and all

Hamish, many thanks for your email to Joseph, passed to me for attention. Please copy Jack and myself into any future correspondence.

Please find attached land registry filed plan and which suggests that the garden area is indeed a fair bit smaller than was previously drawn.

Accordingly, please find both block plans and the site location plan revised to accord with the land registry plan information.

Kind regards

Dear Joseph,

I hope all is well. Regarding the above application I have received a couple of representation letters stating that the *'red outline shown on the Existing Block Plan and the Proposed Block Plan is incorrect, including a section of the garden of the neighbouring property. The Site Location Plan is also incorrect.'* Please could you advise whether this is the case and if so please could you provide amended plans to correct this?

Thank you,

Kind regards,

Hamish Evans
