Commenter Type: Neighbour or general public

Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: I am a neighbour of 107 high street. I am amazed that further planning consent is required for the work that has been done to this property. The work is to the highest of quality and sympathetic to the heritage of the house. The house was previously in an appealing state of repair, and has now been renovated to become a credit to the village and neighbourhood. I wholeheartedly support this application being approved

Kind regards
