Reasons for comment:

Comments: Having seen what a wonderful job that has been done to Marlow House and supported the application whole heartedly the first time, I write in complete support of the retrospective planning application.
The attention to detail that has gone in to this project is so much higher than what i as a local estate agent see on a daily basis. Furthermore without these applications a lot of these properties if these applications are not approved, will significantly suffer.

In light of the above i again whole heartedly support this application.

Kind regards
