Reasons for comment:

Comments: The new owners of marlow house have clearly put in a vast amount of effort and money to transform the property from a dilapidated mess into a sympathetically restored and loved home. The view from our property used to be of an overgrown garden / building site so we are delighted to now look out onto a cared for, tidy property. The new rear extension is simply stunning! We fully support all the works undertaken and are super grateful for the positive impact this has had on the neighbourhood.

Kind regards
