Comments Details

Commenter Type:	Neighbour or general public
-----------------	-----------------------------

Stance:	Customer made comments in support of the Planning Application
---------	---

Reasons for comment:

Comments:	It is quite spectacular what the owners of marlow house have done to restore the property and create a beautiful home. They have clearly invested a huge amount of time, effort and money to ensure everything done is in keeping with the history of the property and of the highest standard. The rear extension is simply stunning. I fully support all they have done.
