Hello,

Subject: Application No: DM/26/1402

I write to register my objection to the application by Naked Farm for a certificate of lawfulness in relation to its intended development of a slaughterhouse (Application Reference DM/26/1402).

I am deeply concerned that granting this application would prevent any proper public scrutiny of the proposed plan for a slaughterhouse. I feel strongly that the development of a slaughterhouse represents a material change in the use of the land from how it is presently used. I therefore invite the Council to reject the application so that there can be proper public scrutiny and the opportunity to register substantive objections should Naked Farm decide to apply for planning permission.

I am also deeply worried about the Climate Emergency and the need for adaptation that includes soil regeneration, biodiversity gain and a transition to more plant based agriculture. A Slaughterhouse does not fit into the change we need and the poor conditions animals endure within our current system must be addressed.

Kind regards,
