Subject: Planning Application DM/26/1858

Dear Mid Sussex Planning,

I attach our comments with regards to the planning application above at 7, Portland Road, these are below.

I tried to submit them via the online portal, they weren't received and as such I have replied again via this e-mail.

My address is Gainsborough House, 9, Portland Road, East Grinstead, West Sussex, RH19 4EB.

Thanks for ensuring that this objection is noted.

Please confirm receipt of this mail.

Yours faithfully,

[REDACTED]

Objection

Overall, the proposed design and renovations to 7 Portland Road will update this beautiful old property to modern standards and the plans are broadly welcome.

Our only objection is that we need to have some further understanding as to the proposed height of the alterations to the garage roof. This potentially impacts our outlook and may be overbearing if too large.

Please can you include rendering of the proposed garage alterations with some scale and clarify the changes to 'increase the width of the driveway' to the road access.
