Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments: Ansty is already overdeveloped and has limited potential for further growth. This proposal adds yet more houses to the hub of an already overcrowded village which currently has only one local amenity (the Shell garage), and this is due to close. These proposed properties would not benefit the local community.

The impact on the local environment will be disastrous for the ecology and biodiversity. There would be a significant impact on trees and wildlife. This proposal is not in keeping with the current

strategy for sustainable growth in the area. This would be a further intrusion into green space.

Kind regards
